The policy says the school should get consent before taking and publishing photos of a student. This applies every time a photo is taken. The same policy applies for excursions and school activities.

<sup>2</sup> SPAG: <http://www.education.vic.gov.au/school/principals/spag/safety/pages/alcohol.aspx>. The policy says the school must obtain school council approval before alcohol can be consumed on school grounds or at a school activity. The policy says staff members should not consume alcohol during camps and excursions. It is silent on whether they can consume alcohol at other school events where students are present, this is a matter that the school needs to decide upon – draft text is provided in the guidance fact sheet
