VET Canoe Trip

Thursday 10 March

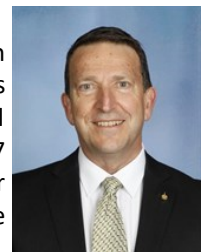

Year 8D and I Geography Excursion

VET Canoe Trip

COLLEGE PRINCIPAL REPORT

YEAR 7 CAMP

With no small degree of celebration, we have been able to run our Year 7 Camp, this week. The Camp, as most would know, is such an important and integral part of our Transition program for our incoming Year 7 students and to be able to run it with relatively minor restrictions for COVID has helped all to feel we are returning to (almost) normal.

Thank you to all our Year 7 parents for your support of the Camp. The level of attendance helped make it a great success and achieve all of the goals we have for the event. A very big thank you to the staff who assisted in the planning and running of the camp and a particular 'shout-out' to Nicole Pratt and Cam Cox (our Year 7 Coordinator and Head of Year 7, respectively). A significant amount of time and energy is required to ensure planning and running of the Camp fits our goals and DET's COVID guidelines and I'm thrilled it all went so well.

In this issue you will read about:

College Council

COLLEGE COUNCIL

Notice of upcoming vacancies on College Council and the process for expressing interest in membership is contained within this Newsletter. College Council is an important body in the effective running of a school. Norwood Secondary College Council has staff, parent, community and student representatives. It provides input and support and is vital in ensuring the College's decision-making is balanced with a variety of opinion and experiences. There are vacancies available for parents to be involved in College Council and I encourage interested parents to consider putting themselves forward - see pages 11-13.

OUTSTANDING PERFORMANCE ON THE ICAS INTERNATIONAL SCIENCE COMPETITION

Heidi in Year 8 was awarded a certificate that recognised her outstanding level of participation in the ICAS International Science Competition. With the top result in the College, Heidi has shown a considerable level of competence in the many areas of Science and we look forward to her continuing progress in this important subject.

COVID UPDATE

DET have informed us that a new 'Operations Guide' is coming out very soon. It will detail any changes to our practices that have been approved by government and DET. Most will know that face masks will no longer need to be worn in secondary schools and there will be various other 'tweaks' that our state health advisors have recommended be incorporated into our schools. We will inform families as soon as possible about any changes and look forward to continuing reductions in the level of restrictions.

TRAFFIC MANAGEMENT AROUND THE COLLEGE

We remind parents that, when dropping off and picking up students, drivers must obey the signed parking restrictions. There are areas on Byron Street where cars cannot be parked and other areas where there are time restrictions. Further, it is illegal to park across the driveways of local residences. We ask all parents to ensure they drive and park safely and obey the signs – most importantly, the posted speed limit during school hours. It is important to note that Maroondah Council By-Laws Officers do visit the roads around the school and enforce the parking restrictions.

We have recently been given cause to remind parents of a College rule regarding cars in our grounds. Parents please note that there must be **no dropping off of students in the College grounds**. No family cars are allowed in our grounds at the start or end of the school day to ensure our student pedestrians, who quite rightly walk on the internal roadways, are safe inside the grounds. We trust our community will observe this important safety rule. This includes the lane off Mullum Mullum Road as well as the road in front of the College library.

Please note that when our building construction process commences next month, there will be no access to the lane off Mullum Mullum Road as it will be the access point for construction vehicles, only.

Andrew Sloane, College Principal

SPORTS PREFECT NEWS

What a start to the year it has been for Sport at Norwood Secondary College. We started with our annual Swimming Carnival in Week 2, and what a day it was. The sun was shining, and it encouraged everyone to get into the pool.

Mullum was impressive on the day, winning the Spirit Award for their team. However, it was Maroondah who dominated in the pool finishing first, with Yarra just behind, followed by Mullum, and finishing with Kalinda in fourth place. A brilliant effort all round for the school. It was great to see a fun and exciting day with numerous Year 12s embracing the event and dressing up. Some of the costumes featured pirates, zookeepers, cops and robbers, and tradies.

Senior Sport came next and the Boys' Baseball team travelled to Knox to play Ringwood SC, where we were the dominate team on the day. Mason L led from the front, scoring multiple times. Norwood cruised home on the back of Aramis R closing out the game in the final innings with ball in hand, leaving the scores at 20 –5.

The Girls' Cricket team made their way down to Silcock Reserve where they defeated Ringwood SC. Haylee L was the star with the bat, scoring 64 to set up victory from that point forward. Both the Boys' and Girls' Volleyball teams played well against Mooroolbark College, Melba SC and Ringwood SC. Whilst they were not winners on the scoreboard, their teamwork was inspiring.

Congratulations to all competitors.

Max Parker, Sport Prefect

SENIOR SCHOOL NEWS

CURRICULUM DAY:

FRIDAY, 4 MARCH - PUPIL FREE

The first Curriculum Day for 2022 will take place on Friday, 4 March. This is an important collaborative planning day for staff. The focus will be on the analysis of the most recent student learning data in order to differentiate curriculum and assessment, both within year levels and across all key learning areas. As such, this will be a pupil free day.

LIONS YOUTH OF THE YEAR COMPETITION

We are very grateful to the Croydon-Mooroolbark Lions Club for providing four of our students the opportunity to participate in this much valued competition. This year our students have been working hard to prepare for this competition since December last year. This Sunday they will be competing at a regional level. If one of our students is fortunate enough to win at this level, they will proceed to the Zone final.

This competition involves students writing a detailed application. This is followed by a 45 minute interview before a panel of judges. Additionally, there is a public speaking component where students have to speak for 2 minutes each on 2 impromptu topics and follow this up with the delivery of a 5 minute prepared speech. The regional competition takes place this Sunday and so I would like to wish our students all the very best and congratulate them on the time and effort they have already invested in this competition. Our students are Caitlin Weatherburn, Evan Barjak, Zoe Servinis and Grace Jenkin. I look forward to sharing the outcome with you in the next newsletter.

Jackie Harris, Senior School Principal

**Lions Club of
Croydon - Mooroolbark**

BREAKFAST CLUB

We will be running Breakfast Club starting Week 6, every Friday throughout Term 1 and 2. Thank you for all the donations we have received from Foodbank. Come down to the Wellbeing Deck at 8am for a chat with some of the members of the Wellbeing team and enjoy some food!

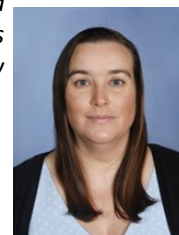

STUDENT WELLBEING NEWS

PEER SUPPORT

On Tuesday and Thursday this week, the Year 11 Peer Support leaders went to Camp ADANAC to visit the Year 7 students on camp. The students had a great day canoeing, raft and hut building, climbing the low ropes course, cooking damper and helping the Year 7 students prepare for the flying fox. The Year 11 students were fantastic role models, and demonstrated patience and kindness towards the Year 7s.

"It was really fun connecting with the Year 7 students and getting to know them better. The best activity was the water tramp and water slide!" Isla and Alena.

"The Year 7 students were so excited to see us, and we had a really good day. The hut building was really good for us to build connections with them individually, and to show some teamwork." Ming Ming and Chelsea.

MANAGING BIG, CHALLENGING EMOTIONS

Some of the students in our school community may be dealing with challenging emotions when returning to face-to-face learning - excitement about seeing friends, classmates, and teachers, worry around handling social situations, or concern about the ongoing COVID-19 pandemic. Here are some tips that may help to handle those "big" emotions:

- Help your child to get enough sleep, exercise, and healthy food – a solid routine is always a good starting point.
- Show a sense of hope and demonstrate resilience. Students often take the lead from behaviours and comments modelled by their parents, and it is important to show that while students may face some hurdles, the concerns will not persist forever. For example, if your child is worried about reconnecting with friends, you could say something like "it could be a bit awkward at first, but you will settle back in."
- Validate their feelings. Try not to dismiss their concerns ("there is not anything to worry about" or "that's silly" can be difficult for some students). Instead, reflecting and validating is more helpful – statements like "it's okay if you are feeling nervous about starting back again" are excellent.
- Check-in regularly. This can just be a simple conversation on the way to or from school – using statements like "how was Science today?" is a good, low-pressure starting point.
- Offer emotion regulation strategies such as deep breathing and mindfulness meditation. The Smiling Mind is a free mindfulness meditation app/website with a range of meditations for different age ranges.

Jacki Landy, Miranda Maginness, Chayna Dight-Stone and Annie Hearne, The Student Wellbeing Team

SCORE BOARD

Norwood SC 0/245 off 20
Ringwood SC all out 38 off 12.4

SPORT NEWS

SENIOR GIRLS' CRICKET

Congratulations to all the girls for representing the College so well on Thursday, 17 February 2022.

Batting first, we accumulated 245 runs in our 20 overs for the loss of no wickets. Openers Helena A (48*) and Lily O (32*) made an impressive start, retiring after 10 overs at the drink break. Captain Haylee L (62*) (2 sixes) and Maddie C (39*) (4 fours in 4 balls), then successfully formed a partnership of 101 before they handed over to Ella R and Paris G to face the final two overs. Both girls contributed to the total, with Ella's rapid 27*(6 fours in 7 balls) undoubtedly a highlight!

Our talented opening bowling pair of Lily (3/5 off 3) and Ella (2/2 off 2) quickly captured wickets. Allanah S (1/4), Helena (0/4), Haylee (0/1) and Abi R (0/7) then continued the bowling effectively. A run out by keeper Natalie V from Maddie at square leg, a catch at short cover by Helena and some tight fielding from all players, including debutante Amber Mc, added to a fine team performance. When Elise P (1/11) had Ringwood's top scorer dismissed with a sharp catch at second slip by Ella, the Division Grand Final had concluded. The most competitive Eastern Region competition will be played on Thursday, 10 March.

Mick Wilson, Cricket Coach

PRODUCTION NEWS

PRODUCTION NEWS

Rehearsals are well underway for the 2022 Norwood Production of *Shrek The Musical*!

This year's exciting and hilarious show features a cast of calamity including fabulous fairy tale creatures and pompous and preposterous people and promises to sweep you off to 'far, far away' places including the dragon's keep, Shrek's swamp and the aspirational Lordship of Duloc.

Our wonderfully talented cast of hideous princesses, ghastly ogres, neurotic talking animals, tap-dancing rats and lords of great stature are busily learning their choreography, blocking, music and harmonies in readiness for the opening night at Karralyka Theatre Centre on Thursday, 18 August 2022. Tickets will go on sale in Term 3 for this spectacular show – stay tuned so you do not miss out!

REMINDER - YEAR 7 AUDITIONS FOR SHREK THE MUSICAL

Year 7 auditions for *Shrek the Musical* will be held from 3.15pm - 4.15pm on Thursday, 3 March - that's next week!

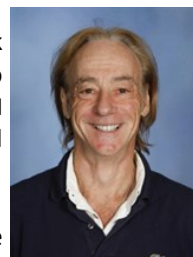

- How to sign up:** Book your timeslot on the Music Noticeboard (D Block)
- Cast Auditions:** Sing a song of your choice for 30 seconds: 'Happy Birthday' or 'Believer' from the film/musical are great choices if you can not decide!
- Featured Dancer Applications:** Learn a short dance routine - for more information speak to Miss Taylor-Lynch in the Year 7 Office

Lucy Filor, Production Producer

SCIENCE NEWS

Students in Year 7 have finally been able to work together in groups after many months of lockdowns to commence their first group activities in the new STEM centre recently constructed as part of the Norwood College redevelopment plan.

Students pictured are enjoying doing group cooperative team building tasks with hands on activities in order to build effective teams of cooperation and trust.

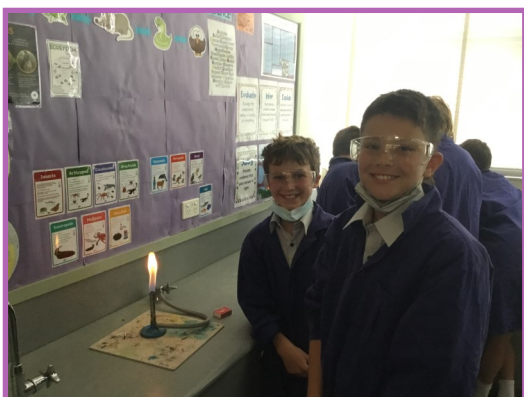

Year 7 students revelled in the activity and mentioned that although challenging, it was also fun, worthwhile and satisfying. The activities will be used to build effective teams for the next part of their STEM challenge, applying engineering principles to STEM to build and design a flood shelter for an Australian family in a temporary flooded area.

Year 7 students performed their first science experiment in a Senior Science classroom last week. Students were given the task to correctly light a Bunsen Burner, switch from the safety to the working hot flame and to safely, efficiently and with the correct scientific method, measure out a prescribed aliquot of a liquid. They transferred the liquid to a test tube and heated it to boiling point. Afterwards they practiced performing a simple chemical reaction and recording as accurately as possible, as many observations as they could, in a scientific table.

Students enjoyed the responsibility of working with a flame and more importantly, working in a group setting with their peers. As their teacher I was so proud of the way they handled themselves, full of confidence and eagerness to do well and to learn.

Alex Papanotas, Science Teacher

SCIENCE NEWS

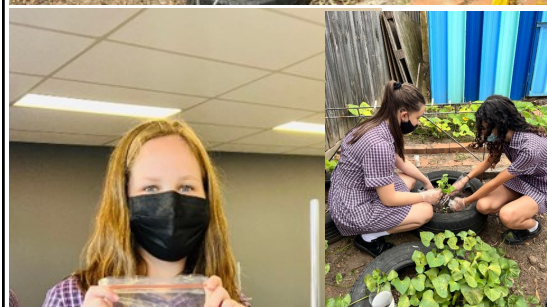

YEAR 10 BIOCHEMICAL SCIENCE ELECTIVE

Year 10 students are learning about the four main biomolecules: carbohydrates, lipids, proteins and nucleic acids. Whilst studying these molecules, they have made models of DNA and extracted DNA from strawberries. The class have also been learning about ways in which living organisms respond to changes in the environment. To investigate this, they have grown and transplanted snow peas and observed the germinating seedlings responses to water, gravity and sunlight.

In scientific terminology, they are learning about hydrotropism, geotropism and phototropism. There were some fun hands on activities covered in class over the last 3 weeks and we look forward to doing some chemistry experiments soon. Fingers crossed our snow peas plants survive.

Shalini Singh, Head of Science

MUSIC DATES FOR 2022

TERM 2

WEEK 7: JAZZ NIGHT
SATURDAY, 28 MAY
7PM-9PM
PERFORMING ARTS - NSC

TERM 3

WEEK 2: MUSIC CAMP
MONDAY, 18 JULY TO
WEDNESDAY, 20 JULY
TBC
OASIS CAMP

WEEK 10: MUSIC SHOWCASE 2022
WEDNESDAY, 14 SEPTEMBER
7PM-9PM
PERFORMING ARTS - NSC

TERM 4

WEEK 2: SPRING SHOW
TUESDAY 11 OCTOBER
7.15PM-8.15PM
PERFORMING ARTS - NSC

WEEK 8: YEAR 7 MUSIC EXPO 2023
MONDAY 21 NOVEMBER
7PM-8.30PM
MUSIC BLOCK

MUSIC NEWS

HOW WONDERFUL TO FINALLY HAVE OUR ENSEMBLES PLAYING AGAIN!

A reminder that your place in the Music program is dependent on participating regularly in an ensemble. We are an Ensemble program and playing together is the best part! Note: Junior Band and Guitar ensemble will start later in the term.

YEAR 7 ENROLMENTS

We are very excited to have so many Year 7 students taking the opportunity to learn an instrument this year. It is not too late to enrol, as most lessons begin in earnest after the Year 7 camp.

WOULD YOU LIKE TO LEARN
THE DOUBLE BASS OR THE
FLUTE?

GET IN TOUCH WITH THE
MUSIC COORDINATOR FOR A
TRY OUT
DURING WEEK 5, ON ANY OF
OUR INSTRUMENTS.

INSTRUMENTAL MUSIC:

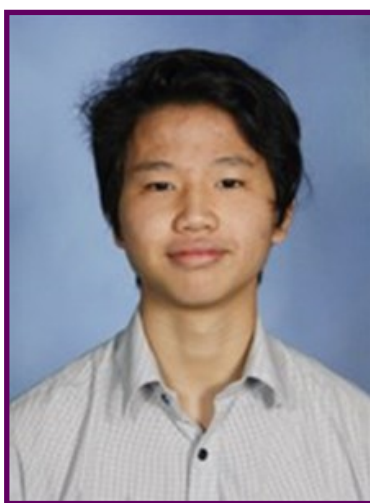

HOW PARENT/GUARDIANS CAN HELP

With any new skilled activity, students are at a greater advantage if they form good habits. Regular and productive playing/practise at home is necessary. It is recommended for beginner students to practise for 15 minutes, five times a week. Ways to encourage this are:

- Be interested in their progress and encourage/praise improvements
- Encourage them to perform regularly for family and friends
- Have a regular time and place for them to play
- Ensure that the practise space is secure for them to leave their instrument out, so they can pick it up swiftly if there are a few minutes (whilst waiting for dinner, etc.) to fit in extra practise
- Ensure the instrument is coming home from school for practise
- Ask your child about their music lessons
- Students will initially make some creative sounds! Be encouraging and urge them on, they will get better
- Purchase a Music stand to have at home. It makes playing much easier and develops good posture.

MEET THE 2022 MUSIC CAPTAINS - EMILY B and AIDEN W

MEET THE 2022 VICE CAPTAINS - JOSEPH L and INDI H

The Music Captains Team has already met twice this year – discussing ideas to for 2022.

TERM 1 ACTIVITY “MELODY IN A MINUTE!”

The Captains are running free sessions to teach pop tunes on the keyboards at lunchtime on these dates:

- Monday, 7, 14, 21 March at 1.30pm
- Numbers are limited so get there early.

INSURANCE OF COLLEGE INSTRUMENTS

All instruments belonging to the College are covered by insurance only while they are on the College premises. When a student hires an instrument, parents are required to accept responsibility for loss or damage to the instrument. It is recommended to seek cover for instruments while travelling to and from school and at home.

Jo Dema, Instrumental Music Coordinator

GENERAL OFFICE NEWS

IMPORTANT INFORMATION – COMPASS EVENTS

The process of using 'Camps, Sports, and Excursion Funds' (CSEF), and credits held on your family accounts, has recently changed. The option previously available in Compass to "use CSEF for an event" will be removed due to this new process.

Due to the numerous cancelled camps/events in 2020 and 2021, we hold an amount of funds in credit for certain families that can be used towards camps/events in 2022.

The new process is as follows:-

The NSC General Office will now automatically allocate credits and CSEF towards events where applicable. **Please contact the General Office to notify us if you do not want this automatic allocation towards camps/events to occur for your child/children.**

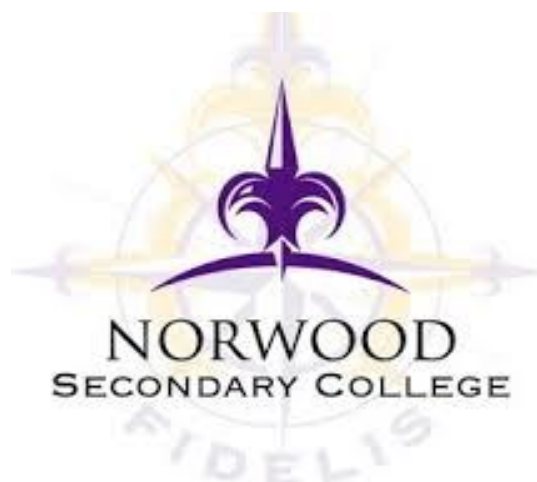

For example:

- An event cost is \$25 and you have a credit or CSEF of \$15, the amount owing for the event will be reduced for your child to \$10, therefore using the credit available to offset the cost of the event
- An event cost is \$25 and you have credit or CSEF greater than \$25, the full amount will be offset against the event and future credits or CSEF will be used in the same way.

Please note that consent **MUST** still be given on Compass for your child to participate in any event.

If you have any questions about this new process, or have a credit and would prefer a refund directly into your bank account, please contact Ms Megha Malhotra, Assistant Business Manager, on 9871 0400.

Jane Arnold, Business Manager

Form 2: Notice of Election and Call for Nominations

An election is to be conducted for members of the school council of:

NORWOOD SECONDARY COLLEGE

Nomination forms may be obtained from the school and must be lodged by 4pm on Friday, 4 March 2022

The ballot will close at 4pm on Friday, 18 March, 2022

Following the closing of nominations, a list of the nominations received will be posted at the school.

The terms of office, membership categories and number of positions in each membership category open for election are as follows:

| Membership category | |
|---------------------|--|
| Parent member | |

| Term of office | Year |
|--|------|
| From the day after the date of the declaration of the poll in | 2022 |
| to and inclusive of the date of the declaration of the poll in | 2024 |

| | |
|----------------------|---|
| Number of positions: | 6 |
|----------------------|---|

| Membership category | |
|------------------------|--|
| School employee member | |

| Term of office | Year |
|--|------|
| From the day after the date of the declaration of the poll in | 2022 |
| to and inclusive of the date of the declaration of the poll in | 2024 |

| | |
|----------------------|---|
| Number of positions: | 3 |
|----------------------|---|

| Membership category | |
|---------------------|--|
| Student member | |

| Term of office | Year |
|--|------|
| From the day after the date of the declaration of the poll in | 2022 |
| to and inclusive of the date of the declaration of the poll in | 2023 |

| | |
|----------------------|---|
| Number of positions: | 1 |
|----------------------|---|

Following the closing of nominations, a list of the nominations received will be posted at the school.

If the number of nominations is less than the number of vacancies, a notice to that effect and calling for further nominations will be posted in a prominent position at the school.

SCHOOL COUNCIL ELECTIONS - INFORMATION FOR PARENTS

WHAT IS A SCHOOL COUNCIL AND WHAT DOES IT DO?

All government schools in Victoria have a school council. They are legally constituted bodies that are given powers to set the key directions of a school within statewide guidelines. In doing this, a school council is able to directly influence the quality of education that the school provides for its students.

WHO IS ON THE SCHOOL COUNCIL?

For most primary school councils, there are three possible categories of membership:

- A mandated elected Parent category – more than one-third of the total members must be from this category. Department employees can be Parent members at their child's school as long as they are not engaged in work at the school.
- A mandated elected school employee category – members of this category may make up no more than one-third of the total membership of school council. The principal of the school is automatically one of these members.
- An optional community member category – members are co-opted by a decision of the council because of their special skills, interests or experiences. Department employees are not eligible to be community members.

A small number of school councils have Nominee members.

For all schools with a Year 7 and above cohort, there is an additional category of membership:

A mandated elected student member category, with two positions.

Generally, the term of office for all members is two years. The term of office of half the members expires each year, creating vacancies for the annual school council elections.

WHY IS PARENT MEMBERSHIP SO IMPORTANT?

Parents on school councils provide important viewpoints and have valuable skills that can help shape the direction of the school.

Those parents who become active on a school council find their involvement satisfying and may also find that their children feel a greater sense of belonging.

DO I NEED SPECIAL EXPERIENCE TO BE ON SCHOOL COUNCIL?

Each member brings their own valuable life skills and knowledge to the role. Councilors may need to develop skills and acquire knowledge in areas that are unfamiliar to them. What you do need is an interest in your child's school and the desire to work in partnership with others to help shape the school's future.

HOW CAN YOU BECOME INVOLVED?

The most obvious way is to vote in the elections, which are held in Term one each year. However, ballots are only held if more people nominate as candidates than there are positions vacant.

In view of this, you might consider

- standing for election as a member of the school council
- encouraging another person to stand for election.

WHAT DO YOU NEED TO DO TO STAND FOR ELECTION?

The principal will issue a Notice of Election and Call for Nominations following the commencement of Term one each year. All school council elections must be completed by the end of March unless the usual time line has been varied by the Minister.

If you decide to stand for election, you can arrange for someone to nominate you as a candidate or you can nominate yourself in the Parent category.

Department employees whose child is enrolled in a school in which they are not engaged in work are eligible to nominate for parent membership of the school council at that school.

Once the nomination form is completed, return it to the principal within the time stated on the Notice of Election.

You will receive a Nomination Form Receipt in the mail following the receipt of your completed nomination.

Generally, if there are more nominations received than there are vacancies on council, a ballot will be conducted during the two weeks after the call for nominations has closed.

REMEMBER

- Ask at the school for help if you would like to stand for election and are not sure what to do
- Consider standing for election to council this year
- Be sure to vote in the elections.

Contact the principal for further information.

NORWOOD 2022

BREAD TAGS FOR WHEELCHAIRS

Please join us in our efforts to collect bread tags - tags collected will be recycled to fund wheelchairs in South Africa.

Bread tags are collected Australia wide and recycled into a range of products. See the website below for more information.

Re-made in Robe!

What can I do?

It's easy save your bread tags for a while and then drop off at the General Office - Norwood Secondary College.

School Holiday Camp Term 1 2022

Camp Dates and Times

Year 5 – 8 Students

April 2022

Monday 11th
& Tuesday 12th
9am – 3.30pm

Year 9 – 12 students

April 2022

Wednesday 13th
& Thursday 14th
9am – 3.30pm

Who

The Holiday program is open to everyone, and we are able to cater to all abilities, from beginner to elite players.

Where

The program will be held at the YVG Sports Complex.

Cost

\$40 per day – includes a drink bottle & a t-shirt.

What to bring

A basketball (if you have one) snack, lunch & drink bottle.

About the program

The camp will focus on learning the fundamentals of the game in addition to refining the strategies required to improve your overall game. Above all, the camp will be focused on engagement and fun!

Head Coach

Samantha Woosnam

Samantha has played over 250 WNBL games, won numerous Championships as a player and coach. She is a 2 time Basketball Victoria Coach of the Year. Joining Samantha on the coaching staff will be several current YVG coaches who are VJBL and Senior team players and coaches.
